

JUST A LITTLE BIT LONGER

LIVE WORSHIP WITH AMICK CUTLER

Lay Your Burdens

written by Amick Cutler & Tony Chavez

verse1:

B
 Leave your baggage
E
 There at the door
G#M
 For there is a man
F#/A#
 Who holds in his hand
E
 Something worth more
B
 Drop all your burdens
E
 And leave them behind
G#M
 For what you can't carry
F#/A#
 He already did
E
 And left them to die

chorus:

G#M F#/A# A#/B B/D# E
Lift your hands and pray

G#M F#/A# A#/B B/D# E
Cling to hope it's never too late

verse 2:

B
Your heart, it feels hardened
E
Like a stone that won't give
G#M
But the stone that held Jesus
F#/A#
Was no match for love
E
With furious intent
B
The smile that's faded
E
Has never come back
G#M
But there's joy in the morning
F#/A#
Rise up my friend
E
Rejoice and be glad

bridge:

Lay your burdens down
