**Em C G D Em**  
 Fear no longer is a friend of mine

 The first and last has rescued Thine  
**C G D**  
 And claimed me as His own  
**Em C G D Em**  
 Death no longer will I fear your wrath  
**C G D Em**  
 The King arose to hand us back  
**C G D**  
 The keys to your domain

chorus:

**Em C**  
 Jesus, King who reigns forever  
**G D**  
 Blessed One, my Savior, Friend of mine  
**Em C**  
 Lover, all consuming fire  
**G D**  
 Died to bring us freedom from this fight

verse 2:

**Em C G D Em**  
Love it's why You came to set me free

**C G D Em**  
To live my days just You and me

**C G D**  
wrapped in Your delight

**Em C G D Em**  
Praise it's who I am and how I live

**C G D Em**  
My cup it overflows within

**C G D**  
This world cannot contain

bridge:

**Em**  
Come, He has come, He has come

**C**  
Lift your eyes unto the Son

**G**  
He's the One who has come to bring life to everyone

Lift your head, lift your gaze  
**D**

See the glory on His face

He is here, He's alive

**Em**  
And He has come to bring us life
